- 5. All the briefs shall be served by overnight delivery or facsimile, and all three defendants shall attend the hearing unless otherwise ordered.
- (B) The Court hereby finds that a modification of the briefing schedule and hearing date is needed for defense counsel's effective preparation of the pretrial motion(s), such that the ends of justice are served by granting the above continuance, and that the ends of justice outweigh the interest of the public and the defendant in a speedy trial. Therefore, the Court further finds that failure to grant the continuance would deny the defendants reasonable time necessary for effective preparation, taking into account to exercise of due diligence, pursuant to the Speedy Trial Act, 18 U.S.C. §3161(h)(8)(B)(iv). According, the Court finds excludable time from the prior filing deadline, September 21, 2005, until October 12, 2005, pursuant to the Speedy Trial Act, 18 U.S.C. §3161 (h)(8)(B)(iv).
